EXPERIENCE

Solutions Architect

InvestCloud Inc

📅 01/2020 - Ongoing 📍 Tampa, FL

- Defined underlying problems and identified risks for over 5+ projects
- Designed a successful workflow and defined quality standards
- Used my extensive front end development experience to define the structure and components for the project, making sure they were reusable
- Developed responsive HTML5/CSS3 templates for a proprietary content management system

Front End Developer

InvestCloud Inc

📅 06/2018 - 12/2019 📍 Tampa, FL

- Developed over 20 responsive websites and transitioned legacy sites to a mobile-friendly platform
- Worked with an agile team of 12 members and provided end-to-end solutions for clients
- Deployed mobile apps to Google Play and App store
- Coached and mentored junior employees
- Converted the company website from static HTML and CSS to a CMS
- Worked with designers to ensure that designs translated into actual functionality

Junior Web Developer

Centerline Group

📅 09/2017 - 06/2018 📍 Tampa, FL

- Developed website mock-ups for clients to ensure quality control and client satisfaction before the project development phase
- Developed an e-commerce website using HTML5, ReactJS, CSS3 and Moltin e-commerce platform

Web Content Creator

AASCB International

📅 01/2017 - 08/2017 📍 Tampa, FL

- Assisted with content editing for three AACSB websites
- Assisted with content editing for the employee Intranet
- Supported content authors with SEO improvements and large content changes/migrations

SUMMARY

I merge a passion for usability and user experience with technical knowledge to create cool digital experiences.
